The "Island-Suite" – mansions are ideal for all investors, who are looking for a generous and tasteful furnished house in the best location and close to the sea. The house established on columns encloses its own U-shaped pool, has two floors and altogether 5 terraces. All apartment levels can be furnished in style if desired and also laid out with Terrazzo. In the first floor is a generous living area, which can be opened to all sides due to its large windows. Thus a wonderful Breeze always flows through the house.

This floor also has a kitchen, which is fully equipped on request. One bedroom with it's own bathroom and terrace, which likewise can be on the first apartment level – and could be used as a guest room. The upper floor has two generous bedrooms, which possess a bathroom and a terrace each. Both rooms share a common balcony. The roofs are delighted and fitted with red roofing tiles covered up in traditional style.

The 1000qm large property ensures sufficient privacy and a wonderful tropical garden.
